

Mail Order Pharmacy Options for Patients and Employees

Retail prescriptions can be mailed to a patient's home via mail order by a CHI or Dignity Health retail pharmacy.

1. Use the map below to locate the state where the patient would be receiving mail order prescriptions.
2. Patient or care giver to call corresponding pharmacy contact information to initiate prescription refill.
3. Pharmacy will assist in gathering necessary information to begin processing the mail order prescription(s) and have them sent to the patient.
