

CommonSpirit Health Virtual Care Services

Get the virtual care resources
you need at
[commonspiritvirtualcare.org](https://www.commonspiritvirtualcare.org)

The www.commonspiritvirtualcare.org website provides information on processes and tools used at CommonSpirit Health for virtual care services. The information is presented in multiple learning formats, and supplemental information is provided to support the processes and tools.

Multiple learning formats

Learn how to conduct and participate in virtual visits utilizing the HIPAA-compliant Zoom platform via

- Interactive learning
- Document learning
- Video learning

Supplemental materials

Gain additional insights on virtual care best practices and the latest information via supplemental materials, including:

- AMA's Quick Guide to Telemedicine
- BMJ – COVID-19: A Remote Assessment in Primary Care
- Telehealth Resource Center
- Medicare Telemedicine Health Care Provider Fact Sheet
- Coronavirus Waivers & Flexibilities

Get the support you need to conduct virtual visits with your patients.
