Economic Security

Natural and Built  
Environment

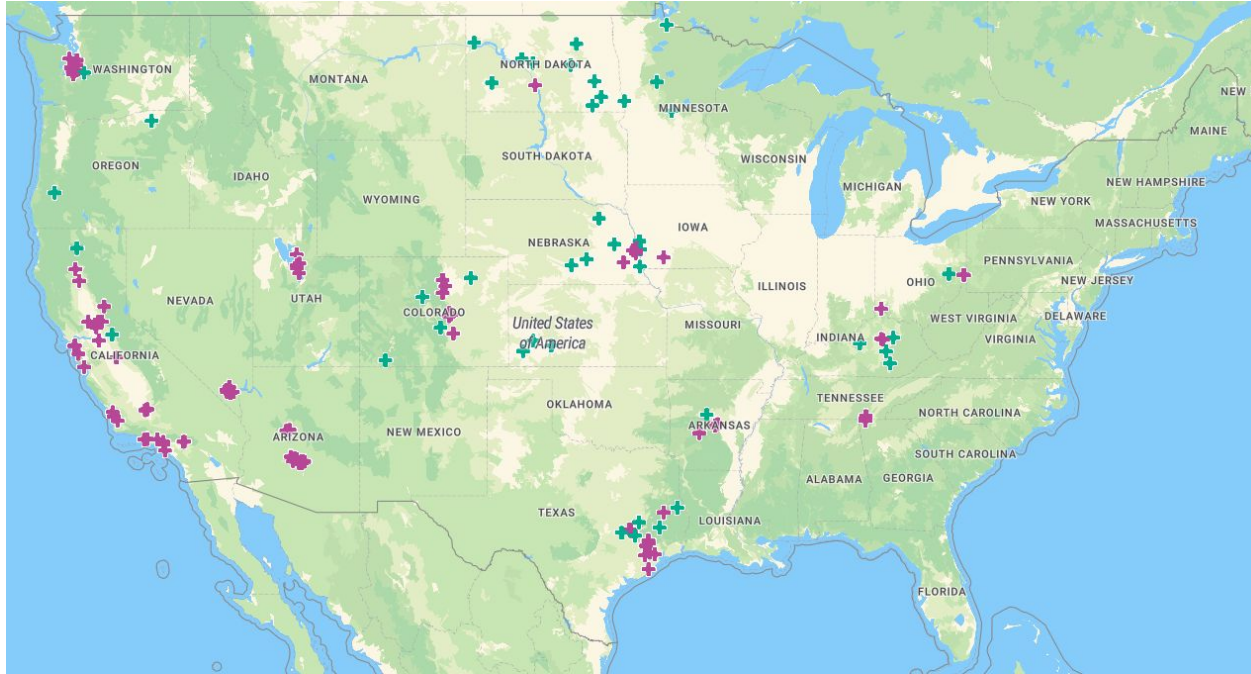

Housing

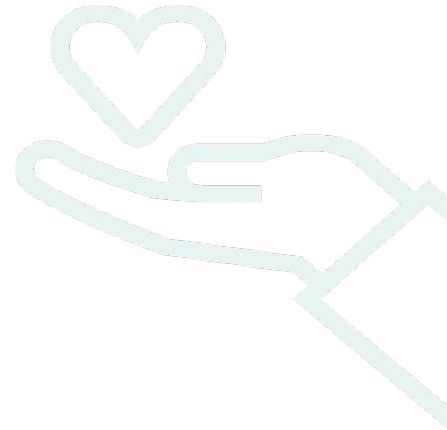

# The Communities We Serve

*We support the work  
of CommonSpirit  
hospitals through  
investing in the health  
of their communities*

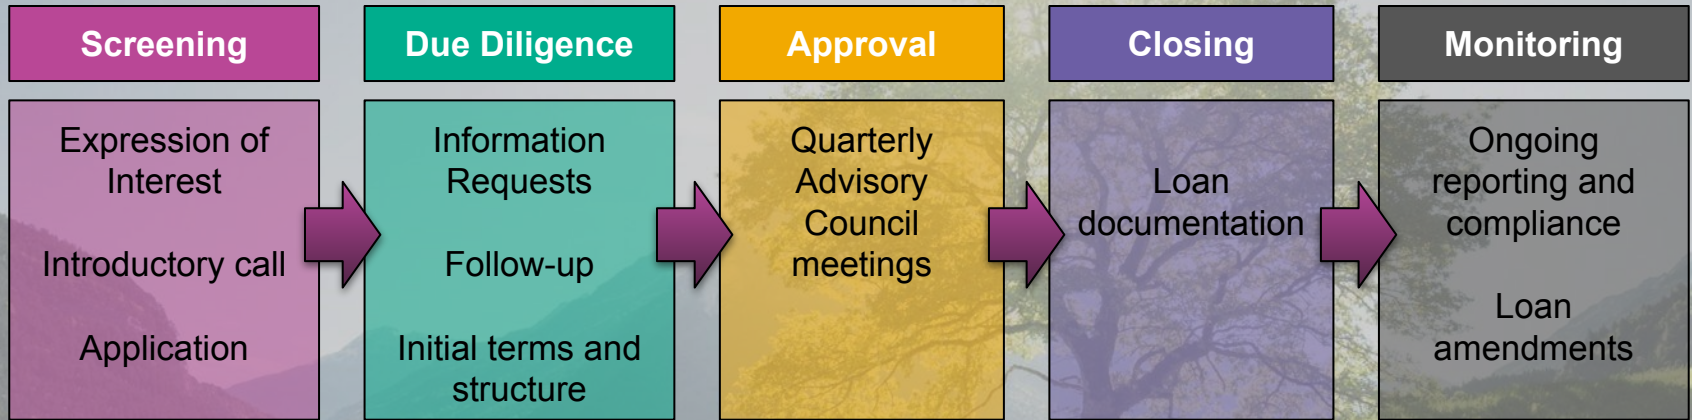

# Partners and Projects

*We seek to partner and invest in alignment with local community needs and priorities*

- **Community.** Organizations and projects that demonstrate strong community support.
- **Leadership.** Organizations looking beyond its own success to bring change to their communities.
- **Partnership.** Organizations that demonstrate strong partnership with CommonSpirit Health.
- **Specificity.** Project benefits and impact that are specific to the local community.
- **Catalytic.** Investments that spark further investment and funding.

# The Process

# CommonSpirit Health Community Health & Regional Staff

# CommonSpirit Health Team

*Local CommonSpirit Health hospitals serve as community liaisons*

- Referrals for investment
- Advocate for organizations and community needs
- Provide support throughout life of investment
- Connect to other resources and partners

# Working together

*Leverage strengths of all stakeholders*

# Thank you!
